

Community Builders Network of Metro St. Louis
Associate Membership Application

Associate Members are organizations that do not fit the Community Building Nonprofit Membership criteria but support the mission and activities of the Community Builders Network of Metro St. Louis (CBN). CBN’s mission and activities are grounded in the belief that strong neighborhoods, where people of different incomes, races, and walks of life can access the opportunities and resources necessary for a good life, help to build a stronger and more effective regional economy. The Community Builders Network focuses on three areas of activity to support the region’s ability to strengthen its communities: 1) increasing the capacity of member organizations, 2) developing a more supportive community building system, and 3) raising public awareness of the need and importance for community building. To become a CBN Associate Member, turn in this completed form and submit payment for membership dues.
