

## **STL Youth Jobs Employer Opportunities**

- **STL Youth Jobs is seeking employers who are interested in providing summer job opportunities and mentoring support to St. Louis youth.**
- **STL Youth Jobs employs St. Louis youth ages 16-24 and provides each participant with job readiness and financial literacy training, career and mentoring support and connection to a job coach.**
- **Through the generosity of our supporters, STL Youth Jobs provides youth with PAID work experiences at your place of employment, but because of high demand of these opportunities, our waiting list grows each summer. If you are interested in making a financial contribution to STL Youth Jobs, please contact Sara Breed at [sara@stlyouthjobs.org](mailto:sara@stlyouthjobs.org).**
- **STL Youth Jobs' participants will work 160 hours between early June and mid-September (approximately 20 hours per week).**
- **Each youth will be assigned a job coach who will assist you in the development of the youth. You will be required to provide onsite supervision and be responsible for completed timesheets for the youth.**
- **If you are interested, please contact Jerica Robinson at 314-346-3186 or [jrobinson@mersgoodwill.org](mailto:jrobinson@mersgoodwill.org).**
