NATURALIZATION ASSISTANCE FOR **ELDERLY LEGAL IMMIGRANTS**

Bilingual International Assistant Services is currently enrolling participants for their Naturalization Assistance for Elderly Legal Immigrants and Elderly Refugees program through May 31, 2020. Many older foreign-born adults struggle disproportionately with the citizenship process and fail to secure the benefits and protections thereof. Bilingual International's long-running and highly successful program works with participants who are or have been unable to benefit from classroom instruction. **Eligible participants will be 60 or older, have resided in Missouri for 5 years or more, and have Lawful Permanent Resident status.** This program assists with citizenship filings, waivers, interpretation, intensive 1:1 citizenship and English tutoring, Medicare benefits or education (as applicable), and representation at USCIS by Department of Justice accredited representatives. Most services can be delivered directly in participant homes. **For more information, contact: 314-645-7800, ext. 203; admin@bilingualstl.org; www.bilingualstl.org**
